1. [REDACTED] D/GE, ORE, has been summoned for jury duty at the United States District Court for the District of Columbia, Criminal Court No. 1. He appeared before Judge Pine of that Court at 9:45 a.m., 5 July 1950. Judge Pine selected [REDACTED] as an eligible juror, his duty to start 9:30 a.m., 6 July 1950, and to continue through 30 July 1950.

MEMORANDUM FOR THE EXECUTIVE, CIA

DEC 21 1949

THROUGH: (1) Chief, Inspection & Security  
(2) General Counsel

SUBJECT: Excuse from Jury Duty, [REDACTED]

25X1A

25X1A

1. [REDACTED] of this office, has had served upon him a Summons of the United States District Court for the District of Columbia, requiring his appearance in the criminal side of such court to serve as a juror during the term commencing 3 January 1950.

2. Pursuant to the Agency policy to encourage jury service wherever possible without serious interference with Agency operations, as enunciated in CIA Administrative Instruction No. 30-5/4 dated 8 November 1949, it has been the practice of this office to interpose no objection to jury service by ORE personnel.

25X1A

3. In the present instance, however, [REDACTED] and his duty assignment to General Division, ORE, make it highly undesirable that he should publicly state his connection with the Agency, even in a court of law, and even if specific information is withheld as a security consideration. It is firmly believed that no [REDACTED] personnel should be subjected to public appearance and interrogation when such can be avoided.

25X1A

4. It is, therefore, requested that you intercede with appropriate officials of the above Court to the end that [REDACTED] may be excused from jury duty during his tenure of an [REDACTED] position in the Agency.

Note On buckalip: Not sure subpoena action mentioned in par 3 Of I&S memo is even theortetically possible. Do not consider it a practical consideration and consequently not a basis for excuse from jury duty.
